The Court conducts a hearing in connection with plaintiff's motion to compel (DE #118<sup>and DE#124</sup>), which is granted in limited part only. Plaintiff's motion to re-open discovery is denied without prejudice. After questioning defense counsel at length, the Court concludes that their searches for ESI were reasonable and proportional, except that defendants are directed to <sup>(1)</sup> update the searches that were conducted in 2015 and 2016, and <sup>(2)</sup> conduct a search of Krissiv's documents, and to

complete these searches no later than  
February 22, 2019.
